James Ben Bowman

April 4, 1932---September 4, 2010

Our Father who art in heaven,
hallowed be thy name
Thy kingdom come,
Thy will be done, on earth as in heaven.
Give us this day our daily bread.
And forgive us our trespasses,
As we forgive those who
trespass against us.
And lead us not into temptation,
But deliver us from evil.
For thine is the kingdom,
and the power, and the glory,
for ever and ever.

Colonel James Ben Bowman

April 4, 1932 - September 4, 2010

Father - Friend - Humanitarian

A fantastic wit with a panache for storytelling; a true historian. Always smiling, forever the optimist, it's easy to see why people gravitated to him. A never ending love affair with Western Swing music spanning seven decades. Up to the minute hot sports opinions. Unwavering political views that were both passionate and informing. Once a friend, always a friend. A brother, a leader, a torch bearer. An extensive library owned and read. Fifty-five years of marriage, three children and four grandchildren.

James was born 4/4/32 in Henryetta Ok to Lloyd and Jamie Bowman. He died 9/4/10 peacefully at home. He is survived by his wife, Marjorie June Bowman. His children, Karl, Karen Spencer, and Travis, daughters in law Jenny and Danna, and son in law Dwight Spencer, as well as grandchildren, Austin, Hannah, Wyatt, and Savanna. His brothers are Ronald, Paul, and Al Bowman, and sister Donna Leblanc. Jim enjoyed a long career in the US Army starting age 15 in Company L279 in the 45th Infantry Division, which went to Korea in 1950. Returning home in 1952 he rejoined the 45th National Guard Unit. His Military accomplishments include helping form the 36th Airborne Brigade in 1968, as well as getting his Belgian jump wings. He also worked with the Pentagon and retired as a Colonel. His fellow soldiers will remember him fondly as an officer and as a friend. He made lifelong cherished friendships from his days of military service, and enjoyed military history and speaking at Veterans Associations. His civilian life was a career in publishing, most notably with Knoph. His work allowed him to travel around the Universities of the Southwest as he worked closely with the Professors on their publishing needs. His house was always full of books, and he imparted his love of the written word to his family. He was also an active member of the Freemasons, becoming Master of his lodge in Arkansas. He served as President of the Clingman-Jones Family Reunion at Jones Valley AR, a place he grew up in and helped make the wonderful venue it is today. The family reunions will miss the presence of a great storyteller who welcomed one and all into "Hillbilly" his family's cabin.
