MANASOTA MEMORIAL PARK (5300 15th Street, Oneco)

This was the primary cemetery for Sarasotans in the 1920s and 1930s and many famous circus people are buried here. When county lines were changed it became part of Manatee County and is not included because a survey was done by the Manasota Genealogical Society in a book entitled "Tombstone Inscriptions in Cemeteries of Manatee County, 1850-1980."
