

The Greene County Historical Society and YOU!!

From its beginning over 70 years ago, the Greene County Historical Society has been a reflection of its members – those who regularly renew their membership in order to support the work of the Society, as well as those who serve on the Society's board. These people have brought their own special strengths and knowledge to the Society, helping it grow and evolve.

Please look at your mailing label – is it time to renew your membership for 2010? Dues are only \$5.00 annually per household. As a member, you receive the *Greene County Historical Society Bulletin* and advance notice of Society meetings and special events.

In addition, due to term limits, the Society will have several vacancies on the Board beginning in the spring of 2010. These include officers and general board members. The time commitment is not great and the knowledge that you are helping preserve local history is rewarding.

Would you like a member of the nominating committee to contact you with more information about being a board member? Expressing interest does not commit you to anything – it is merely a chance to learn more about how you can help. The election of officers will be held at the Spring 2010 meeting.

Please take a moment to complete and return the form below. And thank you for supporting the Greene County Historical Society!
