

Research Policy

If you are unable to travel to Neponset and wish to have individual resources checked, write to:

Neponset Historical Society
P.O. Box 262
Neponset, Ill. 61345

Our society is willing to do a limited amount of Neponset Township research for our out of town members as well as non members. This means we will search our collection for the information you are looking for. Once the research is done, a work sheet, including a list of the sources checked, will be sent to you. **Fees for doing research are \$5.00 per hour for members and \$10.00 for non members plus expenses for copies and any extra postage.** Please submit a check with your request.

Research of 15 minutes, such as a cemetery search, will cost only the price of copies and postage.

Our volunteer researcher must know how many hour of research you want and either the information you are trying to learn or the sources you would like searched. Your check will not be cashed until the work is done. Please state whether you are willing to pay for additional research beyond your current request if more information is available.

First requests for research have priority over requests for additional work.

Research money is used to preserver and index our records, making them available to the public.

Thank You.
