June Program

Join us for our program on using maps in genealogy. Our program structure changes will be shared with you at this time.

2009 Raffle

Our raffle item this year is a genealogy kit valued at $200.00. Our goal is to sell a minimum of 250 tickets @ $1.00 each between May and October. A list of the items is on our web site on the events & news page. Proceeds will help fund our events and projects.

Cemetery Signs - RCGS will purchase cemetery NAME signs for our cemeteries in the county without one. This is part of our community connections effort to give back to our community. More will be shared at the general meeting and future communications.

Immigration Indexes - NARA has added Immigration Indexes online: The U. S. National Archives and Records Administration has placed the following immigration indexes online: a] Germans to America 1850-1897; Italians to America 1855-1900; Russians to America 1834-1897. These records were previously available only in CD and book form. Visit the web site and scroll down to the section titled "Specific Immigration Topics" where you will find these indexes and other lists. http://archives.gov/genealogy/immigration/
