She attended Transylvania University in Lexington for one year and then transferred to Sophie Newcomb College in New Orleans, La. After graduation, she taught school in Lynch and Harlan, Ky., and in the Harrodsburg school system after she moved there in 1952. On Dec. 31, 1949, she married John W. Landrum, her husband of 65 years. In 1952, they arrived in Harrodsburg in a small plane piloted by John, bringing only suitcases of clothes and one piece of furniture she had given her husband for his birthday. Thus began her lifetime spent in service to her church, to education, to people, and to furthering history and restoration projects in Harrodsburg and Mercer County. Vivian said in an interview several years ago she wanted to be remembered “as a caring and loving Christian.” Soon after settling here, she and her husband established their membership in the Harrodsburg United Methodist Church where she was active in all aspects of the church, including singing in the choir, something she had done since the age of 8 wherever she lived and continued her singing until several years ago. In 2004, she was one of three Kentuckians honored by the Wesley Village Senior Living Community in Wilmore as an “Outstanding Methodist Woman of the Year” at its Heroes, Saints and Legends awards banquet. After getting settled in Harrodsburg, she furthered her interest in flying by taking lessons from her pilot husband and soloed under his supervision, logging more than 400 hours of flight time from the late 1950s to the early 1980s, an accomplishment not many small town housewives could claim at that time. Both Vivian and John gave generously of their time in flying friends and family all over the country and abroad, also. Her involvement in the community included serving on boards and committees of groups that she had a particular interest in. Local theater was always a passion of hers and she gave of herself generously to the Pioneer Playhouse in Danville and the Ragged Edge Community Theater and The Legend of Daniel Boone, both in Harrodsburg. She faithfully traveled to her hometown of Pineville every year to serve on the board of the Mountain Laurel Festival and to help celebrate its weekend activities. Through her membership in the Junior Department of the Woman’s Club of Harrodsburg, she was instrumental in the early efforts to bring restoration to both Shaker Village at Pleasant Hill and Morgan Row for the Harrodsburg Historical Society. She was also on the board of the Kentucky Historical Society. She was a founder and lifetime board member of the Christian Life Center in Harrodsburg. Additionally, she was instrumental in supporting the founding of the local Central Kentucky Christian School and Harrodsburg Community Church. Other community interests were the Mercer County Health Department, the Mercer County Public Library and the Wilderness Trace YMCA of Mercer and Boyle counties. Both swimming and tennis were passions of hers and she participated recreationally and competitively in both sports, bringing home many awards and trophies. She was a member of the United States Tennis Association League in both Kentucky and Florida. Vivian and John usually spent the winter months in Naples, Fla., where they owned a home. It was there she could truly relax and enjoy walks on the beach, tennis, swimming and her favorite pastime — fishing. Survivors include her husband, John, and a son, William Bibb Landrum (Erin) of Los Angeles, Calif. She was preceded in death by a son, John VanBever Landrum, in 2012. Other survivors include Van Landrum’s widow, Joy, and their three grandchildren, Sara Catherine Landrum, Alex VanBever Landrum and Eli William Landrum. Of her 10 siblings, only one remains, Catherine Tye of Naples, Fla. A memorial service will be held at a later date. Randsdell Funeral Chapel is in charge of arrangements. RAELEY, Alexa Kennedy Raley. Alexa Kennedy was granted her angel wings on Monday, June 23, 2014. “Lexy’s” life would seem too short to many, but those who’ve been touched by her understand that the quality of existence far exceeds the quantity of time in which one lives. Her playful smile could melt the hearts of those around her, and though she was so young, her voice and thoughts could always be heard. Although her age made her appear to be frail, she possessed strength, perseverance and the ability to lighten the hearts wherever she went. With her laughter and enthusiasm for life, she led us to believe that each day is a blessing and an opportunity to create lasting memories. She could spend hours playing “Doctee,” “Cinderelly” and cuddling close to those she loved so much. She enjoyed music, sleeping late, shopping with her Memaw, and making her Pepaw play princesses. She loved pink and purples, and playing with her cousins. She enjoyed bubbles and swimming with her Memaw, but most of all… she loved her family. Alexa is survived, remembered and cherished by her loving mother, Jessica Young; her maternal grandparents, (Memaw) Geneva Young and (Pepaw) Dennis Young; her aunt and uncle, Shea and Chris Brittain; her baby cousin, Emma Brittain; her godparents, Amber and Jeff Richardson; and many, many more. YOUNG, Paul Noble Young. 1941-2014. Paul Noble Young, 72, died peacefully on Monday, March 31, 2014, at the Missouri Veterans Home in Mexico, Mo., where he had been a resident for many years. Noble was born Sept. 5, 1941, in Shelbyville, Ky., to Paul and Elizabeth Young. After graduating from Junction City (Ky.) High School in 1958, Noble enrolled in Lindsey Wilson Junior College (Columbia, Ky.) to pursue his education and basketball career, later transferring to Eastern Kentucky State College in Richmond, Ky. At Eastern, Noble continued his college basketball career while completing his bachelor’s and master’s degrees in industrial arts and obtained his teaching certificate. He also attended the University of Missouri and completed all coursework for a doctorate degree. During his college years, he met his beloved wife, Barbara Ann Baker (Baker). They wed on June 5, 1965, and were happily married for 48 years. Noble taught industrial arts in the Louisville, Ky., Public School System until he joined the United States Navy in 1968. After completing officer candidate school in Newport, R.I., he became a radar navigator, flying many missions over Vietnam and Southeast Asia. During his Navy duty, Noble was stationed in Pensacola, Fla., Whidbey Island, Wash., Guam and Japan. Noble received the National Defense Service medal, Vietnam Campaign medal, Vietnam Service medal, Presidential Unit commendation, Navy Unit commendation, Armed Forces Expeditionary medal (Korea), Air medal and Combat Action ribbon. After discharge in 1972, he served in the Naval Reserve for several years. Noble was dedicated to his family and together they pursued their passions of teaching, traveling, snow skiing, basketball and woodworking. Noble was very proud of his service in the United States Navy and of his Eagle Scout Rank earned in 1955. In 1973, Noble and Barbara joined the U.S. Department of Defense School System and taught at U.S. bases in Mannheim and Stuttgart, Germany, for 11 years. Germany provided the opportunity to fulfill two of Noble’s passions — traveling through Europe and snow skiing in the German, Austrian and Swiss Alps. Noble taught industrial arts and was an accomplished woodworker. He later served as deputy principal at the Stuttgart American High School. After his return from Germany, he resided in Columbia until he was left disabled after significant surgery and became a resident at the Mexico Veterans Home. The family was blessed by and thankful for the loving and compassionate care that was provided to Noble for many years by the Veterans Home Staff and Administration. Noble is survived by his wife, Barbara Ann Baker Young, and son Eric, both of Columbia, Mo.; two brothers, Floyd Thomas (Sharon) of Junction City, Ky., and John Allen (Mary Ann) of Jefferson City, Mo.; and two sisters, Betty B.
