Glenwood Cemetery needs volunteers

On **Saturday May 30, 2009 at 11 am** the Glenwood Cemetery Association is conducting a project to photograph all the headstones in the cemetery. The photos will be put on a website. Their goal is to get 50 photographers. The Flint Genealogical Society will have a table set up to provide refreshments and also to sell our publications. Besides photographers they also will need volunteers to work the FGS table, and supervisors to coordinate the photographers. Due to parking limitations they want volunteers to call and sign up as soon as possible. They will be advertising this event in The Flint Journal, so spaces may fill up fast.

If you are interested in signing up or have any questions call **Peter Lemelin at 239-3222**.
