

JACKSON COUNTY PIONEER CERTIFICATE PROJECT

The date of 1 August 1832, is recognized as the organization of Jackson County (it was approved on 26 June 1832, but not effective until 1 August). Therefore, the County of Jackson, Michigan will be celebrating 175 years in 2007. It is with this Celebration in mind that the Jackson County Pioneer Certificate Project is being enacted to honor the Pioneers of Jackson County.

The Jackson County Pioneer Certificate Project, is sponsored by the Jackson County Genealogical Society and the Jackson County Historical Society. Our purpose is to honor and collect data about the early residents of Jackson County, Michigan and their descendants. This information will benefit both the Genealogical Society and the Historical Society in adding valuable history of our early settlers and providing information for future research in our county.

We are asking the descendants of these early pioneers to apply for a Jackson County Pioneer Certificate, which will be given in four categories recognizing the settlement and growth of Jackson County. These Certificates will be of frameable quality with the name of the Applicant and the Ancestor. The Certificate will be based on the year that the Ancestor first settled in Jackson County. The categories are:

First Families-- pre 1841

Founders-- 1841 - 1861

Settler-- 1862 - 1881

Builder-- 1882 - 1907

ELIGIBILITY: The applicant must directly descend from an ancestor who 'resided' in Jackson County, prior to the 1907 date.
