- Lot 48 - 3 graves

+ Lot 5 SLOCUM, William C. {The dates are exactly as they appear on the stone. Since this is not possible, the person who compiled the information believes it should be January 18, 1889}

+Lot 15 SLOCUM, Richard Ray Sr. Back of stone reads,
'Father of Richard Ray Jr. Victoria Dawn, Chad Matthew'

+Lot 21/52 COOPER, Martha J. A record of her burial was not found. She was first, the wife of Lyman Storts, who is buried in lot 21. Second husband is Elbert Cooper lot 52. There is some question regarding which lot she is buried in. Records state that a Mrs. Elbert Cooper is buried on lot 52. Mrs. Cooper's granddaughter, Mary Mahoney of IA had a stone set on September 1993 for Martha J. Cooper. (Transcription record does not indicate which lot the stone is on.)

+Lot 54 PHILLIPS, Infant (1st infant grave) the infants name was Ernie Loyd, a twin to Vernie Boyd Phillips per family. (2nd infant grave) referred to this infant as 'Baby Brother', he was never named per family.

+Lot 61 CHILDRESS, Dorothy J. and Harold N. Back of stone reads,
'Our children, Linda Jo, LeAnn, Candice Jean, Michella Lynn'

+Lot 66 CRANDALL, Enis Devear Record of burial found in cemetery log book with a note that says the body was moved to Willmathsville, but the stone was not moved. When Greta made this census she did not find a stone for this Crandall. Feels that it might have been moved at a later date than the note in the cemetery log book.

Two notes were found in the cemetery log book, which is in the hands of Joyce Dunn Holdren.

"The land for the Slocum Cemetery was donated by Thomas A. Slocum and was named in his honor."

"Addie Slocum gave the first \$1,000.00 to start the perpetual care fund for the Slocum Cemetery in 1962."

This information was compiled and prepared by Greta Phillips Slocum, November 1999 and transcribed by Judy Hedges Moore, June 2001.
