Surnames: PENNINGTON ELY

Searching for any information on CHARLES WILLIAM PENNINGTON born June 01, 1865 in Lebanon, MO. Parents unknown. Story is that Charles and two brothers (Doc & Ollie) were put out for adoption after his father got into a fight with an Indian man over his mother (who was Indian). Charles left his parent's home with a family by the name of ELY and ended up in VA. I can account for him after that. According to family, Charles went back to MO in search for his brothers...not knowing the name of the adoptive parents. Had no luck in finding them. Charles never took the ELY name as Mr. Ely wanted him to remember his past. If anyone out there in Laclede Co., MO knows anything about this

PENNINGTON family please email me.

Surnames: JOHNSON

We are looking for information on the death of Rhoda Johnson, sister of Marshall W. Johnson of Lebanon, Laclede County, MO. We do not know her married name or even if she married. Apparently she was still living in 1889 when a county history was published as she was listed with her brother Marshall as the only two of the several Johnson children still living. She might have died before 1910 (the year her brother died) as she was not listed in her brother's obituary. Any research tips appreciated.

I am looking for any information on origins of the STROUP family of Laclede County, Missouri, presumably originally from Germany. I would like to know when the family arrived from Europe and in Missouri, and if there are any family members still in the county. I have not been able to trace the family further the 1820s, when JACOB STROUP apparently moved to the county. Jacob was the father of HENRY STROUP (b. 1825), who married Sycilia of North Carolina, and fathered James, John, Caroline, William, Elizabeth, Anderson and Calvin. John was the father of one MISSOURI STROUP, who was the mother of FLORA STROUP (ca. 1885-1971), who later moved to Oklahoma and married Arthur Garfield Osborn. Any info greatly appreciated!

She was the 1st wife of Issac FIELDS. I think Anita MUNHOLLON had some HEMPHILL connection- one researcher gave Issac M. FIELDS 1st wife's name as Ann HEMPHILL and he only had 2 wives. There were two George MUNHOLLONS from the Drynob area- one is buried in the Nebo cemetery. A Milburn MUNHOLLAND was born 15 Feb 1917 Drynob and died 7 Oct 1998; his father, was Harrison Halston born 3 Sep 1884 Drynob died 15 Nov 1969 Lebanon, MO; and his grandfather was Barney MUNHOLLAND b in who homesteaded there. Della MUNHOLLAND, dau. of Wm. H. MUNHOLLAND & Martha Ann HAMMOND also had roots in the Drynob area. Della was an unmarried schoolteacher who lived most of her live in Highlandville, Christian co, MO. I was told the MUNHOLLONS & HEMPHILLS settled around Falcon, Nebo & Drynob. Falcon is 2 mi from Dr! ynob. Surely these must have been related in some way to my Anita (aka Ann or Malinda)

My husband and I visited the cemetery this last week (17 Sep 2001) and we also went to the library and found clippings from the Lebanon Daily News dated 26 Sep 1945 about Charlie C. Sublett death and where he was buried. In the article about his death it stated that he and his family were moving to Lebanon because he bought the Blue Moon Camp. I would like to find out what kind of business the Blue Moon Camp was. If any one knows about the Blue Moon Camp on Hwy. 66 east of Lebanon, please email me. Also it stated that the funeral home used was the Palmer Funeral Home.

I sent this message to miles@usmo.com but it was returned. The address is no longer valid. Hoping the party is still out there & reading. Others with info on the BALL family, Ball's Mill, please respond. I descend from Joseph H. Ball, Justice of the Peace, ME South preacher, teacher, blacksmith, and farmer. At one time he also bought a tanyard, but do not know if he operated it or not. Some of his sons were also blacksmiths including Leonard Francis Marion Ball, Elijah Daily Ball, and John Washington Ball. Descendants populated many counties in MO: I have documented the following counties: Ray Lafayette Carroll Polk Dade Greene Cedar Newton Madrid St. Louis Jackson Buchanan I am looking to see if the Benjamin Ball listed on the county site is a related individual. There were descendants of Benjamin Ball in Ray county in 1830...Head of household was Allen. What do you know about the Ball Mill? It is listed as "Orla". Was it named after a family?
