

HISTORY OF DAVIE COUNTY SCHOOLS

Book by Marie Benge Craig Roth

Updates will be posted at this site.

October 2010 – Author is working hard to finish this book before the end of the year. It's been a long two years, and I need to wrap it up even though there are missing pieces of the puzzle. When I discover new facts, I will list them here.

November 2010 – Book was uploaded to Lulu.com publishing company and one copy was delivered to me. With a minor tweak, it was improved. 100 copies were ordered on November 15. 100 books arrived on November 24.

December 2010 – Another 100 were ordered. Sold by Marie and at the library.

January 2011 – About 80 were sold in 2010.
