

Marriage Notices from *The North Carolina Whig*, 1858-1862

Contributed by Glenn M. Cook

These marriage notices from *The North Carolina Whig* newspaper, published in Charlotte, North Carolina, are a continuation of the notices that appeared in the last issue of the OMGS *Quarterly* (Vol. 23, No. 3). They run from 19 January 1858 and to 30 September 1862, which was the last extant issue carrying marriage notices before the *Whig* ceased publication in 1863. Only seven issues from 1863 have survived: 20 and 27 January; 3, 10, and 17 February; 3 and 24 March.

Six notices are for Mecklenburg marriages not found in Brent Holcomb's *Marriages of Mecklenburg County, North Carolina, 1783-1868*. Most notices came from Mecklenburg and surrounding counties and the adjoining districts in South Carolina. Others came from Alabama, California, Tennessee, and Virginia. Some of the latter announcements were from former residents of Mecklenburg County, while a few were marriages of persons prominent on the national scene.

In Memoriam

Glenn M. Cook, Jr.

20 December 1926—19 October 2005

Glenn Cook, a member of Olde Mecklenburg Genealogical Society, died in Houston, Texas, after a six-month battle with cancer. He was a native Charlottean, who moved to Texas after his marriage in 1950. He had a long career as a broadcast engineer and left a widow, two children, two grandchildren, and two great-grandchildren.

He was a cousin of the late T. Melvin Cook, who was treasurer of Olde Meck for several years. Together they researched their Cook family in Mecklenburg Count, and Glenn transcribed the real estate notices from Charlotte newspapers from 1835 to 1863 looking for information on the Cooks that they could not find in court records. The notices appeared in several issues of the OMGS *Quarterly*, and Glenn was pleased when the editors requested permission to print them in their entirety.

The first volume of the real estate notices, published by Olde Meck with the addition of legal notices and an index, was received from the printer one week after Glenn died. He knew, however, that the book was at the printer and that many readers of the *Quarterly* had expressed much appreciation for his efforts.

Glenn also abstracted marriage notices from the early Charlotte newspapers, the last of which appear in this issue. His willingness to transcribe and share information not readily available will always be gratefully remembered by Olde Mecklenburg Genealogical Society.
