

“THE CASTLE GENIE”

Newsletter of the Passaic County Historical Society Genealogy Club

“*The Castle Genie*” is a quarterly genealogical publication of the Passaic County Historical Society Genealogy Club and is a benefit of membership. Each issue features articles of genealogical and historical nature, with particular emphasis on Passaic County and its environs, and researchers may submit queries to its popular “*Folk Finder*” column.

In continuous publication for over ten years, Volume I, Number I of “*The Castle Genie*” made its debut in September, 1989 when four pages of the “as yet unnamed” publication was simply called “*PCHS Genealogy Club Newsletter*.” Members were encouraged to submit their ideas for the newsletters name at the October (1989) meeting. This first edition also made an appeal for an Editor and writers in order to meet the clubs goal of producing three newsletters per year. After some consideration, the unnamed newsletter became known as “*The Castle Genie*” in May, 1990.

Following is an index of articles that appeared in “*The Castle Genie*” from V1 N1 (September 1989) through V10 N3 (June 2000). Back issues of “*The Castle Genie*” are available at \$2.00 per issue.
