

Dear Lucille,

Thank you  
for the sample  
cards + lovely  
letter.

I'm sorry  
your first letter  
was "adrift" in  
the mail. We  
filled out all  
the appropriate  
change of address  
forms with the

Colorado US Postal  
Service. We  
continue to  
receive "old" mail  
from 2006 + 2007.

I'm sorry your  
letter was delayed  
but you were  
not alone. 😊

I spent the  
month of March  
in Rochester, Mich  
(45 miles north of  
Detroit) at Leder

3 Dogs for the  
Blind. I returned  
to Wisconsin  
with a very sweet  
& smart collie,  
named Sage.  
We have been  
pretty busy  
practicing all that  
we learned while  
in training - He  
is working out  
well and I feel  
safer when I travel  
about the city.

4 I've enclosed  
a picture.

My husband  
and twin daughter  
love him, too. I've  
spent the last  
three months  
sharing my  
latest grand  
adventure with  
Gion's clubs and  
support groups  
of individuals with  
vision impairments.

In the Fall, my angel paintings will be on exhibit at the Wisconsin Council of the Blind and Vision Impaired office in Madison - our state capital. I am honored to have this opportunity to show my work. The Council features a different blind artist every few months during the year.

Thank you for  
using the painter  
to support your  
important work.  
I am honored  
to play a small  
role in helping  
to preserve a very  
special place on  
earth - dear to  
all our hearts.

Peace + Love,  
Gundr
