## CIVIL WAR FAMILIES OF CRAWFORD COUNTY OHIO

### Specifications

The applicant must be a direct descendant, or a collateral relative, of any person who served in the Civil War, for the Union or the Confederacy, to be eligible to become a member of the Civil War Families of Crawford County, Ohio. In addition to serving in the Civil War, the person must have lived or died in Crawford County, Ohio. 'Squirrel Hunters' and 'Spies', male or female, are also eligible. Each application will be judged on its own merits.

You must submit an application and the documents that will prove the relationship. There must be documentation for each generation, including yours, your parents, grandparents, etc. The application fee is \$10.00, to be paid when you send in your application and accompanying documents.

### Rules of Evidence

Please take time to read and become familiar with these rules, following them carefully when preparing your papers.

The rules of evidence applying to membership are the standards by which all CWFCCO documentation will be judged. There are no exceptions.

The dates of service must be between 12 April 1861 (the bombardment of Fort Sumter) and 18 April 1865 (when Joseph E. Johnston (CSA) surrendered to General William T. Sherman at Durham Station, N.C.)

The nature and extent of the evidence submitted as documentation shall be sufficient to show that the applicant is a direct descendant or collateral relative of the person or persons who performed for the Union or the Confederacy. Documentation must be sufficient to differentiate between any two persons of the same name.

Each document submitted, whether primary or secondary evidence must include a full citation with volume and page number (example: Marriage Records, Crawford County, Ohio, Vol. 7, page 23). Copies of vital records are acceptable, if the seal is visible on the copy. If there is no vital record, we require two secondary proofs that support the same event or date, such as a newspaper clipping, county history or family record.

1. Proof of Military Service can be found in enlistment, discharge, pension or other federal, confederate, or state government documents.
2. Primary or collateral evidence from vital statistics, courthouse or other governmental records, such as discharge pension papers, usually is considered excellent documentation. Other primary evidence might include Bible records (which must be contemporary with publication date of the Bible or events), or diaries or letters written by the serviceman or woman.
3. Secondary evidence such as census records, newspaper clippings (applicant must give the name of the paper, location, page and date of publication) might be used as corroborative evidence. County histories and family records CONTEMPORARY TO THE FACTS REPORTED are considered as supporting evidence only.

4. Circumstantial evidence WILL NOT be accepted as documentation unless supported by primary or secondary evidence.
5. Oral, written, or published family traditions may be in error and CANNOT be accepted as documentation.
6. Printed or manuscript genealogies, genealogical records or compilations, family group sheets and charts, family reunion records and similar material are not considered documentation.
7. Lineage papers from other patriotic or hereditary societies will not be considered as documentation.
8. Documents must, either alone or with other acceptable materials, actually STATE THE FACT TO BE DOCUMENTED. Unnamed individuals specified in court records as "heirs" or "heirs-at-law," unless it is known that application laws at the time included only collateral line descendants, cannot be assumed to be the person in question.
9. Documents written or presented in a foreign language must be accompanied by a translation into English and the translation certified as a "true translation" by the translator (not the applicant or a family member).
10. Old letters, diaries or family records can be accepted as documentation only for the facts that the writer could logically know FIRST HAND. Identification of the writer and the date is necessary.
11. Female ancestors named on the application must be identified by their maiden names and, if married, their marriages proved.
12. A collateral line relationship must be documented at each step, parent to child, or sibling to sibling. You must prove siblings are children of the same parents. Half-siblings will be considered if you and the candidate are descended from a common ancestor/ancestress.
13. All documents must include a full citation and the volume and page number must be written on the copy itself. Bible records must include a photocopy of the title page, with publication date, and the current owner's name.
14. Married female applicants, who use their husband's surname, must include a copy of their marriage record to document their change of name. Each legal name change must be documented.
15. Photographs of tombstones might be acceptable for birth and death dates and for relationships stated on the stone, if legible. We require transcriptions of the stone also as, sometimes the dates in a photo are difficult to read. The stone must be a contemporary style in line with the death date. Cemetery burial records or funeral home records are acceptable.
16. Typed, handwritten or printed copies of original documents must be certified as a "TRUE COPY" by a courthouse or other official, newspaper employee, cemetery employee, etc. An applicant or member of his or her family cannot certify a document as a "TRUE COPY." Photocopies of original documents are acceptable if there are no changes on the original.
17. REMINDER: A statement is not necessarily true just because it's in print!
