

GREENLAWN CEMETERY - Addenda

During the 1950's, Ruth Klopp listed or partially listed many of Scioto County's cemeteries. Her partial list of Greenlawn Cemetery contains 1140 inscriptions. It is not dated, but we know she had the advantage of some thirty years. Unfortunately, her list is in alphabetic order, so there is no way to tell where in the cemetery the stone is or was. The inscriptions not previously listed which are on her list are provided here.
