

## GREENLAWN CEMETERY - Section D, E, F & G

These sections are all relatively new sections of the cemetery and are all located behind the mausoleum buildings, west of the Kinney's Lane entrance. Many of the stones are for Spanish American War Veterans,

but have not dates, therefore they were copied since it was possible that they were pre-1900 burials. The inscriptions were copied by Elizabeth Bandy in June, 1983.
