

GREENLAWN CEMETERY - Section 12

The stone in this section are sparsely spaced and in a somewhat random manner. Many of the stones appear to have been inscribed by amateurs and many have only a name on them. The northeast tip of the section has stones that are all dated around 1905 to 1914. These inscriptions were copied by Julie Vinson on June 2, 1984.

WOOD, Kate Gould	1882 - 1891
