

## GREENLAWN CEMETERY - Section 14

This section is circular at the west side and lots are apparently laid out in an arc along that edge, then in rows working east. This listing starts at the west side and I have tried to copy them in what appears to be sections rather than strict "row-by-row". Most are in good condition. Copied Oct. 8, 1983 by Caryn R. Shoemaker, CGRS.
