

GREENLAWN CEMETERY - Section 20

These three sections are not divided by roads. Section 20 is on the south side of the Hebrew section, and section 21 is on the north side of the lot. Those two sections are laid out in circular rows of pie-shaped lots. The Hebrew stones often had inscriptions in Hebrew instead of, or in addition to, the English inscriptions. (I cannot translate.) Stones were copied in what appears to be lots, rather than strictly row by row. Most stones are in good condition, though some are fading or worn. Copied Oct. 8, 1983 by Caryn R. Shoemaker.
