A Note From The Editor

Hello Everyone,

We hope that you have had a wonderful summer filled with discovering answers to your research questions & breaking down the “Brick Walls” that pop-up from time to time while doing our genealogies. I have been learning more about Naturalization Records & the many ways Census takers may spell a Surname. So what’s New? I have uncovered data I did not know about family members & found a family member that was working on the same line as I had been.

Fall is my favorite time of the year with the changing color of the leaves on the trees & the cooling temperatures. We all know what follows autumn (NO not winter) Holidays! We wish you all a Wonderful Fall filled with fun events around all things that are special to you & your family in the Holidays to come.

Did you know that Portsmouth will soon be 200 Years old!!! She has made many changes over the years since 1815. Were your ancestors here in Scioto County when Portsmouth became a city? In 1810 Portsmouth had a population of 3399 (Wikipedia), 1820 – 5750. *Pioneers of Scioto County, OH Lineage Society* will be honoring our ancestors who lived in the early years at the December 13th SCCOGS meeting. If you had Pioneers who were in Scioto County on or before 1830, let us know so we may Honor them with you.

We will also need to set a Nomination Committee at the October 11th meeting & I hope that *You* will volunteer for this committee. Every volunteer is important & we (SCCOGS) can’t function without *You* as a part of this society.

We look forward to seeing you at our next meeting on October 11th at the Lucasville Library.

Phyllis Crawford, President

Next Meeting—October 11th

The next scheduled meeting of SCCOGS will be held Saturday, October 11, 2014, at 1:00 pm at the Lucasville Branch of the Portsmouth Public Library 103 Lucasville-Minford Rd. Lucasville, OH.

Our speaker will be Berta Lockhart.

Her topic: *Cemeteries of the Athens Asylum*

Over the years, many people were treated at the Athens Asylum from several OH counties including Scioto. Some died there and for various reasons the bodies were never claimed. The group *Friends of Athens Asylum Cemetery* is working to identify & provide headstones for those buried there. A recent PBS documentary highlighted the work they are doing.

Meetings are free and open to the Public. All are Welcome and Encouraged to Attend.

An Article by SCCOGS Member – Mat Tackett

I started Genealogy about two years ago doing research on the **TACKETT** family. In doing my research I found a Great Uncle that I hadn't known about. I then found that he had been admitted to the Athens Insane Asylum. After the closing of the Asylum, he was put in a rest home just north of Athens where he passed in 1991.

Shortly after the discovery of my Uncle, I ran across a documentary about Athens Insane Asylum called **1900 Voices** on PBS. In watching the documentary during breaks in the story, they would promote a book, **Asylum on the Hill**, by Katherine Ziff. After watching the whole story, I started looking on the "Web" for the book. That's when I ran across a friends group called "Friends of Athens Asylum Cemeteries".

I found contact information for the President, Berta Lockhart. 740 603-7744 (Cell), 740 380-6816 (Home) & berta@gmail.com (Email). I contacted Berta by email about the book and told her about my Uncle. In the email I had asked if they sold the book so any proceeds would go to the group. After a few emails, we talked on the phone about the cemeteries. Berta told me that the mission of the group was to locate family members of those that were buried in the three (3) cemeteries. Over 1600 people were buried in these cemeteries with only a number on them. In order for the "Friends" to place a marker with a Name and Dates a family member must be found and give permission to have the marker set.

I told Berta about "Find-A-Grave". I asked if she could send me a list of people buried in the cemeteries and I would put them on "Find-A-Grave". Shortly after putting over 1850 people on "Find-A-Grave", I started being contacted by family members wanting more information. I would give them whatever information that I had then I would begin to tell them about Berta and the "Friends of Athens Asylum Cemeteries". If they would contact Berta, the "Friends" could get the permission needed to place a grave marker at no cost to the family. To date I have been contacted by 15-20 families to have markers set. One email I received on March 24, 2014 read, "Thanks for posting this memorial. Mary McKenzie was my Great, Great Grandmother and I have been searching for her for 15 years!"

When I started helping and joined the "Friends" group, I did it for no other reason but to help someone find a loved one. I have been able to link my Grandson back 17 generations. Besides helping with Athens and photo requests from "Find-a-Grave", I have also been working on Greenlawn and Phipps Cemetery.

Berta will be our (SCCOGS) speaker at the October 11th meeting at the Lucasville Library.
