Hon. J. Saffier Macdonald.
Ottawa, Canada -

My dear Sir -

I rejoice in having
the opportunity of congratulating
your Canadian Brethren in
their recent action towards
those who have so grossly abu-
sed Canadian Neutrality - the
Bill I see reported and
passed to a Second Reading
relating to the prevention of
Raids, Shipping of War Stores
&c. I presume will pass
without any opposition.

These are Richard & Madeline

which I learn you have in
 contemplation will go far to
 meet some of the better feeling
 which has been expressed here
 by means of the St Albans and
 other affairs. I assure you
 I have had much to combat
 when Canadian matters have
 come up at our Union Leagues
 and elsewhere. I am sure
 also for the St. Bernard - Society
 and Michaelmas = Denis Glen-
 mist as all that we can wish
 for farmers as a earnest desire
 to be friendly - when of opinion
 has been a lack of action, primarily
 in form and now in power, but
 Sandwichee for good - with which
 I have maintained a Quarter

Mutually - I am as desirous the present
 position relating to the Quarter
 as we shall see again evidence of Quarter
 more looking Quarter and Quarter
 Your remembrance to Mrs. Madeline
 and her dear family - as of whom
 I shall ever continue to cherish the most precious
 remembrance.

Yours affectionately
 Wm. D. B. B. B.
