

## Caldwell's and Christie's Manor Baptisms

*Copies of the following records were given me by the late Herb Derick of Lennoxville some years ago. These hand recorded records cover 1809 - March of 1815, and are not available for viewing on microfilm that I am aware of. The Archives has the records that follow these from May 1815 forward on microfilm #128.42. For folks in both of the Manors, these may be a big help. ----- Pam Wood Waugh*
