

PIONEER FAMILIES OF COLLIN COUNTY, TEXAS
Collin County Genealogical Society
P.O. Box 865052
Plano TX 75086-5052

Dear Fellow Genealogist:

Thank you for inquiring about the Pioneer Families of Collin County project, sponsored by our Society. The project was started in 1996-1997, in celebration of the 150th anniversary of the formation of the county. Its purpose is to provide recognition for those residing in Collin County, Texas between its formation in 1846 and the close of the nineteenth century. An individual whose application is approved will receive a beautiful certificate honoring both the ancestor and applicant.

Not acceptable as proof are family tradition, articles from county histories, "mug" books, family histories or genealogies. These items, along with family group sheets, will be welcomed if you care to enclose them as supplemental material to be placed with your application. We hope to make information from the applications available for Collin County researchers.

Please place your name and address on the back of each proof submitted, along with a notation of the number of the generation being proved. This will help us process your application.

We hope you will decide to participate in this project. As a fifth-generation native of Collin County, I strongly support this project and feel that it will be of real benefit to future generations of Collin County researchers.

Sincerely yours,

Paula Perkins, Registrar
