MINUTES—MAY 2009

President Linda Touraine opened the last meeting of the 08/09 year by welcoming all present. There was 1 visitor and 20 members present.

Minutes were approved as circulated. Holley Hervey presented the financial report. Motion made and seconded to approve the report.

Linda Touraine read a thank-you card from the daughter of the late George Burlage, a long time member of this society. Appreciation was expressed to the DCGS for the gift of a book given to the library.

Holley Hervey made a motion and seconded by Norma Curry to purchase a book in memory of Nancy Cantwell. The book will be about Alabama, Nancy's area of research.

Linda Touraine will send a sympathy card to the Pike family on the loss of their son.

Holley Hervey reported that the Denton papers are in the process of being transferred to the library.

The executive board has one more year to serve and will provide

refreshments for the first meeting of the 09/10 year.

Our program "Serendipity" was a great success with many members sharing their artifacts and stories.

Meeting was adjourned.

Respectfully Submitted,
Shirley Harris

MINUTES—BOARD MEETING JULY 2009

The Executive Board for the Denton County Genealogy Society met Thursday evening, July 16th in the genealogy section of the library. Those in attendance were Diana Abner, Chris and Kathy Strauss, Holly Hervey, Shirley Harris, and President, Linda Touraine.

Mrs. Touraine had received a request from several members about having meetings during the day due to difficulty in driving at night. After discussion, the board decided carpooling might be a better alternative.

The board has decided to provide refreshments for the September and May meetings since we don't have enough volunteers signed up.

Program chairwoman Marilyn Simms has provided an excellent list of programs for the 2009-2010 year. Programs were discussed and

approved.

Kathy Strauss reported that the library is having another genealogy lock-in on September 25th. All are invited.

Kathy is also requesting any genealogy news and tips for the newsletter.

The possibility of moving the gathering time to 6:15 PM was discussed. Earlier time would give members 30 minutes of information sharing with refreshments, followed by the business meeting, program, and a questions and answer session.

Respectfully submitted,

Shirley Harris

EVERTON'S GENEALOGICAL HELPER IS NO MORE

Leland Meitzler, editor of Everton's Genealogical Helper Magazine, announced recently that the effort to save the magazine had fallen through. He and his wife have moved on to other publishing endeavors. He wrote the following on his blog.

In the beautiful Jan/Feb/March issue of the 50 year old Everton Genealogical Helper Magazine we announced that we were going quarterly. We later began to look for a new company and publisher to take over the magazine. We have been and are in very serious negotiations. That deal needs to be finalized within the next ten days or it will not happen. As a backup, we are now talking to another company to take

it over if the first deal does not go through.

As you may know, about five years ago, we saved both the Everton Library, (30,000 unique genealogical volumes which were going to be sold at a garage sale on the lawn but are now housed in the Logan Library) and the Genealogical Helper magazine because we were genealogists who had loved the Helper for years. We honored all old subscriptions, then we honored all subscriptions for Heritage Quest Magazine when they went out of business. We are trying to find someone to take over our subscriptions now.

We appreciate and love all our customers who helped save the library and magazine for 5 more years. We've written to many of you over the years and feel like friends.

We are in mourning for this grand old magazine. We will send you an e-mail when we know more. Please keep us in your thoughts. Thanks so much for your patience.
