

Fort Worth Genealogical Society

In Collaboration with the Fort Worth Public Library

PRESENTS

CIVIL WAR RESEARCH IN TARRANT COUNTY

With

Michael Patterson

MIKE PATTERSON is the major force behind the recent efforts to find, research and memorialize all Civil War veterans who either served from, lived in, or are buried in Northeast Tarrant County. Come hear how interest in his Confederate ancestors and local history evolved into this project to identify these veterans, both Union and Confederate and erect a monument to honor their service. You may even find a tip to help you in your own research.

NEW DAY: Tuesday, February 24, 2009

NEW TIME: 6:30 p.m. Tandy Lecture Hall

Central Branch, Fort Worth Library

Parking on the streets is free after 6 p.m. Come at 6:00 for Coffee

Mike Patterson is a native of Fort Worth and Tarrant County. He developed his interest in history and research at 13 when he started his research at the old Fort Worth Library. He and his family are the 5th & 6th generations to live on the family homeplace. He graduated from Grapevine High School & UTA in 1977 with a degree in history and English, and taught Texas History, mostly in the Birdville ISD. Mike has served several terms as president, program chairman, and other offices of the Fort Worth Audubon Society. He and wife Marilyn have been all over the U.S. chasing rare birds. He has many talents including cabinet building and engraving stone monuments.
