## Did We Forget Someone?

Although we tried to make the list as inclusive and complete as possible, we may have unintentionally omitted some names. We would like to know if we did. Please email Tom Selman at [selmanthomas@sbcglobal.net](mailto:selmanthomas@sbcglobal.net) and let him know of the omission. Give name and approximate years taught if known. We'll supplement this information to our electronic version of this page posted on the HCHC website.
