January 2007

Dear members,

For those of you who don't join us at our meeting (and those of you who do), the Fall Season has been very busy. US1812 is as exciting as ever, the fellowship we share and our work is very satisfying. The John Cavet Chapter will be represented by several members at the 104th State Council in San Antonio next month. With regret I will not be able to attend do to a family function but know all who do attend will have a wonderful time. A very special treat for all who attend will be to meet the President National, Mrs. Charlotte Slinkard. The chapter's 2nd Vice President, Ora Jane Johnson, has agreed to stand in for me and give the chapters report to the State Council. I have listed some of the chapter's activities below and because of you we will have a wonderful report.
