

# ROLL CALL - Friends of Camp Hearne

[www.camphearne.info](http://www.camphearne.info)

## Why contribute now?

- ✓ Development of Historic Site as Travel Destination
  - ✓ Roadside Park
  - ✓ Veterans History Project
- ✓ Walking trails through architectural remains
  - ✓ County cycling trails
- ✓ Museum / Archive Center / Visitor's Center

*The total cost of these projects will be a pretty hefty price tag. But we are not expecting to raise this money from local supporters alone!*

Every *friend* who answers the *CALL* makes it possible to raise needed funds from corporate sponsors and private and/or government grants. Local donations demonstrate local support. *Local support helps raise thousands of dollars from other sources!* So please, help us jump-start this project with your \$10, or more. Every tax-deductible contribution, regardless of the amount, will show other funding resources the strength of Hearne's commitment to historic preservation and economic development in our community.
