

## WE MAY NOT KNOW WHERE YOU ARE!!

If you're having to read someone else's *Mail Call* because yours didn't come, it might be because you have moved and forgot to tell us. We use bulk mail rates for mailing the newsletters (to cut costs), and bulk mailings can't be forwarded.

If you happen to get this and it doesn't have your correct address on the label, please let us know..

Also, if you're planning to move any time soon send us the change of address form.

If you know an ARRA member who has changed her address, please see if she has notified us.

And one more thing, if you know a member who has died, send that news to us.

It's better to use the form shown here, but the same information in a note or e-mail will be fine. It's better NOT to use the phone...Put it in writing.
