

Prince William County Genealogical Society

GOALS and OBJECTIVES

Throughout its history the Society has continued to be dedicated to:

- > Preservation of our treasured old records and making the information available to interested parties;
- > identifying, documenting, and photographing gravesites in the county;
- > publish the information gathered from the cemetery effort;
- > provide a quality and informative newsletter;
- > continue to offer quality presentations as appropriate; and
- > assist those researching ancestors in Prince William County.

Future goals include:

- > complete the cemetery documentation and publish the results;
- > continue our support of the PWC library system through additions to the Ruth E. Lloyd Information Center (R.E.L.L.C.) at Bull Run Library;
- > insure the preservation and accessibility of our vital records;
- > to continue and support Eagle Scout Programs; and genealogy related Scout programs.
