

To create a Specialized Ahnentafel report

For a plain Ahnentafel you need to follow the following steps within Legacy.
Open the *reports* icon and proceed to the *Books and Others* section,

Choose Ancestors button, 2ND one in the Book Reports column,
When this opens, select the number of *Generations* you wish to create,
Click the *Report Options* button to open another window,
Step thru all of the Tabs displayed and do the following,
Include tab – deselect all radial squares,
Format tab – select only the *Don't Repeat & Uppercase SURNAMES* radial squares,
(If you choose to include events to this report, you will need to do the following;
If your not planning on including them, omit this step.)
In the Format tab select – *Even Narrative Format* button,

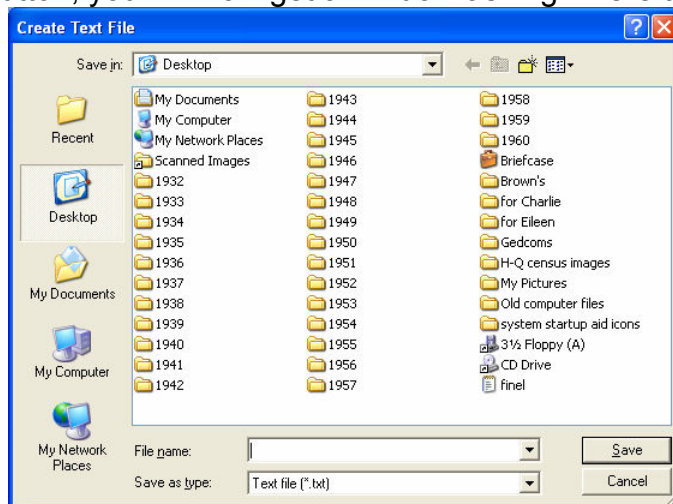

You now have a choice of 6 selections to make a decision on.

Now close and return to the *Ancestor Book* window and select the tab – *Heading Layout*,
Just below the title blocks you will find a section titled – *Generation Subtitle Labels*,
Choose 1 of the 3 radial buttons to post this subtitle to your report.

Now click your *Preview* button and see if this is what you wish to create. If so, then close the Preview window and return to the Ancestor Book window.

On the lower right select the radial button titled – *Text File*,

Click the Create Button, you will now get a window asking where to create this;

Select a location and give it a File Name.

This will now be created in your Note Pad folder and you can modify or add to it as you choose.
