Gardner Cemetery is located approximately 5 miles northeast of Woodland, Wa on Rd. #16. (This road designation has now changed.)

At the entrance to the cemetery is a large monument with an inscription that reads:
"Gardner Cemetery. This monument in memory of the Daniel White Gardner Family who settled here May 9, 1853, established Hayes P.O., 1876, furnished the leadership site and bell for Gardner Chapel, 1889, and platted this cemetery in 1900. Erected by grandsons, Curtis and Oliver 1964. Now owned and cared for by Cemetery District No.5,1963."

* Has been known as Hayes Cemetery also.

This cemetery was transcribed by physically walking through and transcribing each stone. There are several headstones that have been wind and weather worn and are unreadable. My sincere thanks to my husband, Lyle Krull and my sister-in-law, Laurel Lacy for their help in this process. Shirley L. Krull
