February 2008

Program Chairperson: Peggy Cooley presents:

Ann Olson will present “**Romantic Iberian Peninsula and the Mysterious Island of Madeira**”

Recently, **Ann Olson** traveled to Portugal and at our February Dinner meeting she will give a program on the "Romantic Iberian Peninsula and the Mysterious Island of Madeira." Join us February 7, 2008, for the delicious meal and intriguing program at the Panorama City Chambers House Restaurant in Lacey, WA. For those not attending the dinner, the program will start at 6:45 p.m.

Our March 13 program will be "Land Records, Good Primary Sources." Have you delved into land records yet as part of your genealogical research? If not, come hear **Janet G. Bacchus** speak about the different types of land records, including the various homestead types, and bring examples. These are records made at the time of the transaction, not remembered later and written down.

Plan ahead to attend our interesting meeting on May, 8, 2008. Our speaker will be **Joan Hitchens** with her program, Mosaic Tributes: Mosaic Storybooks. "Sharing your Legacy." Joan will also be an exhibitor at our Spring Seminar on April 5, 2008.

President's Message, from Pat Harper

The newsletter may seem a bit early this month, but we wanted to remind everyone that February's Olympia Genealogical Society meeting will be one week earlier than usual, on the **first Thursday, February 7**, so it will not conflict with Valentine's Day. This is the **OGS Annual Dinner** at the **Panorama City Restaurant** where the food is always good. **Peggy Cooley**, our program chair, has ask **Ann Olson** to give a travelogue on her visit to Portugal a subject which should interest everyone including non-genealogist guests. Visit the OGS website at: www.rootsweb.com/~waogs/ if you need a reservation form and more information.

I hope to see you all there!

Did those of you who are not organized spend January getting all of those research results in order? I must admit that my project is spilling over into February, but so far I've located several items I'd lost track of and placed them in their correct and findable places. It is amazing to me how this process seems to unburden my mind and brighten my outlook. Hopefully, I will now be able to push my research forward and topple some brick walls.

Message from Kathleen Newcomer, Membership Chairman:

I will have copies of the current directory for distribution at the dinner, February 7, 2008.
