President's Message, from Pat Harper

Welcome back. It's hard to believe summer is over and we are ready to start a new year of OGS. Pat Philippsen, our Vice-President and Program chair has been working diligently with her co-chair, Bobbi Hubbard, to line up a schedule of very interesting programs for the second Thursday of every month. Check the Olympia Genealogical Society web page where Jerri McCoy will have a full listing of topics: <http://www.rootsweb.com/~waogs/>. I think you will be as pleased and excited as I am.

In addition to our September program based on the book Genealogy: Fast, Fun, Free presented by the author, Mary Sullens McEwan, we will have our regular sharing time after the refreshment break so everyone can have a chance to relate their summer adventures – genealogically speaking!

Also coming up is the Beginner's Workshop on September 16, 2006 in conjunction with the Olympia Timberland Library. Ann Olson has gathered an experienced group of OGS members to provide a lively introduction to the basics of genealogical research. If you are new to genealogy or you know someone who wants to set off in pursuit of their ancestors, registration in person or by phone, has already begun at the Olympia Library Reference/Information desk.

Thanks to long time member, Steven Morrison, the Olympia Genealogical Society will be meeting again this year at the Thurston County Courthouse. The first meeting will be at 7 p.m. on September 14 in Building 2, Room 129 (the large courtroom). Padded seats!

I am looking forward to seeing everyone.
