

## Washington State Genealogical Society

**Affiliated Dues** – Member societies have the option to offer their members the opportunity to join the Washington State Genealogical Society at a reduced rate (\$10 for an individual or \$11 for a household instead of \$12/\$13). That saves the member money as well as earning money for their Society (\$2 per member). If a society has 10 members join or renew WSGS membership at the same time by March 31, the society’s dues will be free so the savings is increased. Below is the information needed and can be submitted in a Word or Works table, an Excel or Works Spreadsheet, or in a format that is designed by the local society. The information can be submitted electronically to the Membership Chair [ericksen@wabroadband.com](mailto:ericksen@wabroadband.com) or by mail to Washington State Genealogical Society, 1901 S 12<sup>th</sup> Ave, Union Gap, WA 98903-1256 with the society’s check.

Surname	Given Name	Street Address	City	Zip	Phone	E-Mail

Each submission needs to include the society submitting the info and the total amount submitted.

**Remember:**

1. To earn free dues, a society must submit at least 10 members at one time prior to March 31.
2. If the affiliated member wants to have their WSGS Newsletter sent in paper form, rather than electronically, the member must submit an additional \$8.00 per year to cover the cost of printing and mailing their newsletter.
2. If you have questions, contact the Membership Chair.
